

INDOOR RALLY

QR°CHALLENGE – TREASURE HUNT IN THE CAR MUSEUM PROTOTYP

The Indoor Rally is the water-proof and high-tech iPad puzzle rally in the car museum Prototyp.

The Challenge in the car museum Prototyp in Hamburg at your preferred time. It begins with a warm welcome by our trainer, who guides your teams through the whole event, followed by a detailed introduction into the game and an explanation about the various technical features. As soon as the game master started

the challenge, every team starts searching for hidden QR-Codes. You can find all codes within the museum, they are marked on a detailed map on the Indoor Rally app.

When you scan a QR-Code, a riddle or a different task will pop up, in order to be solved by your team. The right mix of creativity, teamwork and strategy is essential for receiving precious points. Next to answering questions, shorts photo or video tasks need to

be solved, too. Of course, the team with the most points on their account wins the challenge. At the end of the game our trainer evaluates the points and honors the winning team with an exciting award ceremony. Upon request we even organize special gifts for the winner team.

Bases on our famous iPad-App, the Indoor Challenge brings geocaching, riddles and fun into the dry.
